

The purpose of the "My portrait " survey is to:

- Allow exchange of information about your child
- Better prepare his kindergarten entry
- And ...
- Continue to support your child's efforts into their learning experience.

This leaflet was produced by the Local Action Committee and Québec Enfants de Magog. It was adapted by the Envol Committee of the Table de Concertation Enfance – Famille - Jeunesse de l'Ouest-de-l'Île.

The tool « My portrait »

Information for Parents

The portrait of your
child ...

a tool
to facilitate
his entry to school

Your child is now 4 or 5 years old. He has come a long way since his early years! He grew quickly and learned a lot.

Now, let's accompany him to his entry into kindergarten with « **My portrait** ».

This project was born from the initiative of a group of partners in the region who have at heart the welfare and the needs of each child.

Question: What is the survey « My portrait »?

This is an observation checklist which is filled by childcare center staff, family environment in child care, private day care, or a partner organization (family home, CLSC, etc.). This is a simple document to complete and easy to use.

Question: What is the purpose of the survey « My portrait » ?

The tool « My portrait » aims to provide a complete and comprehensive picture of your child. It informs the kindergarten teacher of your child strengths and challenges. With this information, the teacher will be better equipped to meet his specific needs during the school year and throughout the year. His debut in school will be more harmonious.

Question: What's in the survey « My portrait »?

The « My portrait » survey contains observable information on your child skills.

Question: As a parent, if I want to see my child's survey, is it possible?

Of course!

A copy of the survey « My portrait » will be given to you. It is important to give it when your child registers to school.

Furthermore, no information will be forwarded without your authorization.

Exchange of information :

Let's be accomplices!
