FALL BEFORE SCHOOL REGISTRATION

Tips to get ready for school

My child will attend school next fall

We're preparing **several months in advance** to gradually adjust and ensure the transition is as smooth as possible.

Getting my child ready for school means helping them to :

Do things **on their own**

Play with others

Feel **capable** and **confident** to start school

It's important for my child to do activities with me and other people. Here are a few ideas to start :

Librairies: Story time, arts and crafts...

Recreation centers: Swimming, dancing classes...

Community organisations: Drop-in daycare, parent-child activities, support for parents...

De : Petite enfance Vers : Préscolaire

School is mandatory at age 6, but in Quebec, almost all children start school at age 5, in kindergarten. It's an important step in order to be well prepared for the following years.

Different possibilities by age

	4 yr old	5 yr old	6 yr old
Home	✓	✓	✓ Homeschooling
Daycare	✓	✓	✗
School	✓ Pre-Kindergarten 4 years old	✓ Kindergarten 5 years old (Standard school progression)	✓ Elementary

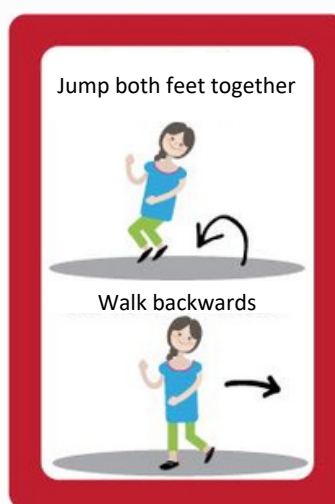

What to do with my child this Fall ?

Routine: Handwashing

Routines help children understand what is expected of them. They give them a sense of security and confidence. A routine with pictures helps the child to get organized. They can see the order in which they need to do things. This helps my child become more and more independent.

At school, my child will need to be able to wash their hands on their own. You can practice at home. For example, before meals and after using the toilet. I can stick the routine up near the sink so he can see it.
